

Application Data Sheets

You must have Adobe Reader® 8.1 to fill out the Online Application Data Sheets and Submit them to MICO. You can download the file from this CD.

- 80-001-026 For Master Cylinders, Remote Actuators, Two Fluid Actuators, Air/Hydraulic Actuators, and Pressure Intensifiers
- 80-460-042 For Brake Valve Systems
- 80-460-046 For Reverse Modulating Brake Valves
- 80-500-008 For Multiple Disc Brakes with winch or holding type applications only
- 80-500-009 For Multiple Disc Brakes with vehicle parking or emergency stop applications only
- 80-500-010 For Multiple Disc Brakes with service braking or pressure override brakes only
- 80-500-013 For Multiple Disc Clutches
- 80-580-006 For Pressure / Vacuum Switches
- 80-580-007 For Temperature Switches
- 80-950-022 For Caliper Disc Brakes
- 80-950-229 For Full Power Electrohydraulic Brake Systems
- 80-950-263 For Full Power Hydraulic Brake Systems with ABS and Traction Control
